Dear Dr. Roskies

By the courtesy of Dr. Fishman I have got your adress. Dr. Fishman told me that you were going to visit our university this spring and read a course of lectures for the students of the Historical-Archival Institute (Jewish specialization).

In our university we know you as the high professional in the field of the history of Jewish literature.

I shall be very grateful if you agree to read six lectures additionally for the students of the Department of History and Theory of Culture. The theme of this broad-line course may be the following:"Jewish literature in the context of different cultures of the world".

Thanking you in advance,

Yours truly,

Zvereva
