

Dear Chaim.

I just received a telegram that I have to go right away to ~~Russia~~? This is something personal. Tomorrow morning I am leaving from here. I won't be able to stop with you.

I ask you to pack my books and bring to the terminal. The biggest part of manuscripts I will leave with you. But please you and Tere and the children, please come to meet me at the terminal. For God's sake don't worry and don't be surprised. All this is very simple and that is the way it has to be.
