

psychological story into descriptive psychology

story about obscenity - analytic not in a conceptual mode - no insight - what it is like to experience the world when you are observed - when your experience is such that you can be pruned -

Opening scene: newspaper notice as death warrant - return of the repressed

the letters not the eyes of the beloved - distancing the
beloved from the agency of harm- פ' יצא עיניו מן הדרך

The olive tree: parody on revelation scenes - tree as deity -
how things become embodied, personified

much - ultimatum ultimacy - love as Theodicy
scream of pain rather than still small voice.

screech of train rather than still small voice.

strange cultic behavior

use of God language + addressed to God.

[usual qualities: actions that lack a motivation - gestures that seem disconnected from agents]

2 night-mare quality: lost in crowd, can't find way, maze-hostile to Saliga - ^{sleep}paralyze here, sealed, distant world, JOURNEY

Dehumanization of object + dehumanization of persons -

Description of driver: an insect, $\frac{1}{2}$ in, monster
 idea of journey: what does it mean to be

idea of journey: what does it mean to be on the way to
Golgotha? - trying to get somewhere - get back to something

The story line: time ~~is~~ on a kibbutz (gen) - about to leave -
9's group comes - sudden discovery of one's "other half" -
instant recognition - the one you've waited for without
knowing - what all the songs were singing about.

45 description of sunset - projection/externalization

* The madness of a heart that has been awakened!

rhetoric
 of mystification

1977
1978

vampire figure 2 - 1978
drink blood, go on

Her figure obscured the whole world - he was the one to leave -
perception of the other [she is nothing special] -
no violation by contact or exchange

Year of fantasies [better than real life]

2 7 8] - penitence - → finally letters, meeting &
discovering that she is not his other half

2 The sisters - the violence of the bus driver - journey as punishment
Comic collection of 37 name: implications

1976 1. school friend, first love, suicide

1978 2. youth leader spurned

1976 3. the conqueror vanquished

#8 language of violence 1977, 1978

1977/1978 also 1978 [1978]

49 man in the universe

mediated desire

what comes from to violence

violence

purity & violence, boundary

ride back

desire, payment, retribution

bus, driver, control
