Dear Reverend Hennessy:

Please feel free to make 18 copies of *Night Words: A Midrash on the Holocaust* for use in your course on the Holocaust. The author, David Roskies, has been advised of your request, and is pleased to know that you are using the reading in such a meaningful way.

A new edition of *Night Words* will be issued in a few months.

Sincerely,

Ruth Fredman Cernea, Ph.D.
Director, Research and Publications
