**Subject:** Zionist Ed Letter 18

Status:  Urgent  New

David,

I work in the office of Camp Ramah in New England and Jeff Goodman forwarded your April 16 message to me.

I am reaching for my second tissue to wipe the tears streaming down my face after reading your account.

Knowing several of the people you refer to makes it all the more meaningful.

Thank you so much for sharing. What an experience for everyone.

Erica Silverman  
Camp Ramah in New England
