Dear Gershon,

Thank you for appointing Professor Roskies to represent the Seminary in the development of the INTERNATIONAL CONFERENCE ON THE HOLOCAUST AND GENOCIDE. Enclosed is a copy of my letter to him. We welcome Professor Roskies to our International Organizing Committee and look forward to hearing from him of ways in which the Seminary and the Rabbinical Assembly can contribute to the development of the Conference.

I should also like to propose that you lend your name to being a member of our International Organizing Committee so that we can have the symbolism of your distinguished role as the well-known head JTS.

It is good indeed to now have the pleasure of grown-up business added on to warm youthful memories.

Drishat Shalom.

Sincerely,

Israel W. Charny, Ph.D.
Executive Director
