Dear ones .

Dear ones.
Yesterday I had a day of troubles. First of all I got news from "Russkoe Bogatstvo" that they don't accept my article, which I thought was acceptable. Second - ~~Bob~~ P. L.'s Daughter

My hope to go to you for
Christmas is out. Even
for one day is impossible
for me to go.

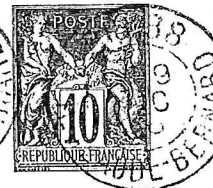

The third unpleasant ~~event~~
news I received from ~~Vozart~~
Vozontsev, that he asked
me for the manuscript
(the old one) which is supposed
to appear in January (The
manuscript was ready
for copying. This manuscript
was sent already to the
Publishing Comp., and it
misses, it is lost and
there is a possibility that
it got lost intentionally.
The only " "

That Vol. writes that in December Issue
a article of Zhukov'ski is printed, which will
appear 1-7 January. I will right away mail
it to you. How ~~pain~~ sad, that I cannot see
you.

Yours S.
