Dear Professor Roskies,

While reading the "Jewish Times", weekly periodical, in Baltimore, Md., I noticed this item of your discussing the "spittl", feet and fiction, on the Eternal Light program.

I was struck by your last name - ROSKIES - which differs by one letter from mine - ROSKES - . My father had come from LUTZKE OR LUDZ in Poland to the U.S. about 1905 or 1906. No other Roskes's existed in this country - to the best of my knowledge, except for my father's nephew and niece - both deceased - Wolf ROSKES⁽¹⁾ and Dr. SARAH ROSKES⁽¹⁾ who in Israel, my mother found ~~some grandchildren~~ ^{a grandson} of my father's brother, I believe Shalom ROSKES. His name is Zigmund ROSKES⁽¹⁾.

I would welcome a comment if above items mean anything to you.

P.S. - The above (1) means
an alternative spelling for the

Yours very sincerely
Herman Roskies
