be judged and punished according
to the laws of these liberated coun-
tries and of the free governments
which will be erected therein. Lists
will be compiled in all possible de-
tail from all these countries, having
regard especially to invaded parts
of the Soviet Union, to Poland and
Czechoslovakia, to Yugoslavia and
Greece, including Crete and other
islands; to Norway, Denmark, the
Netherlands, Belgium, Luxembourg,
France and Italy.

*Thus, Germans who take part
in wholesale shooting of Polish
officers or in the execution of
French, Dutch, Belgian or Nor-
wegian hostages or of Cretan
peasants, or who have shared in
slaughters inflicted on the peo-
ple of Poland or in territories
of the Soviet Union which are
now being swept clear of the
enemy, will know they will be
brought back to the scene of their
crimes and judged on the spot by
the peoples whom they have out-
raged. Let those who have
hitherto not imbued their hands
with innocent blood beware lest
they join the ranks of the guilty,
for most assuredly the three Allied
powers will pursue them to the ut-
termost ends of the earth and will
deliver them to their accusers in
order that justice may be done.*

The above declaration is without
prejudice to the case of German
criminals whose offenses have no
particular geographical localization
and who will be punished by joint
decision of the governments of the
Allies.

They Can Be Saved . . . Only The Will Is Needed!

Not because they were Poles or Dutchmen, not because they
were peasants or officers—just because, and only because, they
were Jews, more than two million men, women and children
have been deliberately murdered by the Germans.

The Jews of Europe have suffered more fatalities from atrocities than all
the United Nations combined. In the face of such a tragedy it is folly,
indeed it is sinful, to debate whether Jews are a religion, a nation or a race—
to insist on calling them "refugees." Thus remain passive to their disastrous
plight—ignoring it and surrounding it with silence.

They are a specific group of human beings whom our common enemy has
publicly threatened to exterminate entirely. This Committee believes it is
an inescapable duty of all Americans to actively oppose Hitler in this respect
also, and to do all that is humanly possible to save the 4 million Jews who are
still alive in Europe.

They can be saved. Experts agree on that. Only the will is needed.
Sweden and Denmark have just proved it by saving 6000 Jews in a few
days.
Our offices and representatives in Washington and in London, in Palestine
and in Turkey, are steadily working in this direction, trying to get large-
scale government action.

It is now strictly a race for time against death.
Every day that passes dooms thousands who can be saved.
We appeal for your help. Particularly if you are a Senator, a Congressman
or a Government official, for you represent the will and the conscience of
the American people. This conscience has never before been found wanting.
From those of you who can afford it, we also ask for financial help. By
your support, by your action, the speed, scope and effectiveness of the cam-
paign to save the Jewish people of Europe will be determined.
