Dear David:

Your piece continues to resonate in strange places. I enclose two more letters--one from what sounds like a vintage Jewish Stalinist (even the name is perfect), the other from a Ukrainian (by marriage) anti-Semite. Between them, they seem to sum up our people's history in this lousy century. Normally we would not run a third (or even a second) round of letters on a given article, but these two together are almost irresistible. Please let me know how you feel about replying.
