nach der materialistischen Geschichtsauffassung. Dr. Rud. Stammler
Leipzig, Verlag von Veit et C. 1896, ~~4~~ ¹ ~~thick~~ ^{for} ~~for~~ ^{to} "Russkoe
Bogatstvo" or "Novoe slovo" ~~was~~ ~~a~~ ~~very~~ ~~interesting~~ ~~and~~ ~~would~~
would be very interesting to write ~~an~~ a review about it
think about it.

Handwritten notes in Russian, likely a translation or summary of the book mentioned in the main text. The text is written in a cursive script and is contained within a rectangular border. The notes discuss the materialist view of history and the book's title, "Wirtschaft + Recht nach der materialistischen Geschichtsauffassung".
