Dear Sir,

We got from you "A Children's Play in Yiddish" based on my husband's book "The Cigarette Sellers".

Unfortunately my husband had undergone a grievous operation and he still could not read the text of your play.

From your letter we understand that the performance will take place in December and because, as you had mentioned in your letter, it will bring no profit, my husband does not object and he wishes you success with it.

I am enclosing the addresses of the "Cigarette-sellers":

1) Irving Milchberg-Byczek-902 Shirley Ave, Niagara Falls, Ontario, Canada.

If you want to get some copies of my husband's book in Jidish, you can get them from Byczek.

2) Jack Klyman, 465 Dekridge Drive, London, Ontario, Canada.

3) Jack Price, 2633 Mimi Circle East, Philadelphia 19131, Pa. USA.

My husband sends his best greetings to you, your family and to Rachel Korn,

Yours Sincerely

Jawina Ziemian
