ideal of feminine beauty, non-Jewish
idealization language

w 5 ה'3K) '3/11/8)

Cde, Gctael, wit

grace 7 ה'3K) ה'3K) ה'3K)

Arital

impressionistic atmosphere poems - idealized, non-specific
love situation - dreamy, fused with idealized nature
symbols

ND 9

2(ND)

narrative re boy in heder, one of the truest - נפ'3K) #
But he died -

story + moment of perception - radical truncation

ars, 911

8ND9 Y'3K) 88)

topic of how can I praise the dawn when so many more
powerful poets have done so. one project: to store the memory
to access on a stormy day - conventional but laud

N

14 ה'3K) 773 2)

blinking, multicolored lights of city at dusk mirror her
confusion about the man she is with
moment of decision or confusion or wonder

W 17 5/1/11

urban wit - a poem on the many meanings of windows
The observer, the urbane intelligence, the essentializer

N 19x17015 f.f.p.)

greeting but broken in storm, w/ bloodied cross
Secret: Perhaps sunset will promise Letter - narrative or
background unknown - mood - descriptive - quite beautiful

9 x 20 5C.)

rare autobiog (and still entirely generalized) - play on sounds:
s + d - beginning letter? - not this, not that -
my days were not green & pastoral - let me make a metaphor:
my days/flocks whiten in my memory
hot, hot, Virgil x, Jan - not the eclogue, bucolic -
poor, sad, exalted
only the village memory - lamb after shearing -
11 to ME + now I remember I too will return
shorn, agitated & naked

N/ars 21 25/1/11

Portrait of elderly woman who ostensibly represses in
daring tranquillity BUT observes everything in the
immediate vicinity & she is troubled

* figure of poet as observer

19/ars/ars 24 21/1/11

dreaminess, at best bet. blue sky & blue green river - still center
of a memory - 'jk, 'jk - P/fp - *origin of self/carsc. in dreaming

N/30

10/10

story/incident poem - a state of affairs, portrait + then
 sensational ending usually death
 allusive, vague, impressionistic
 aesthetic of readily deprivations
 story of ~~obscure~~ random crime?

N/9 31

2222)

Envy poem - speaker ~~envious~~ envies friend who is w/
 woman he admires/loves + about restraint - title + last
 word in perplexing/origmatic - again circumstances
 elusive

? 33

2220)

rare historical fiction poem + Zionide poem
 reviewer of > there theme - no ex + Eastern Europe
 beyond memories

N 34

10/10

jealousy - Ham. poem - weakman who sees his wife's
 lover (the guest/visitor), who enters + then, he, the speaker,
 becomes the visitor/outsider

37

220)

slight (short lived) prayer to God to make me like the sp:
 to be insignificant ^{+ modest} but burn for Him so he even if
 he is seen by no man's eye

38 (C1D P1'2)

D Play on 1/18.9.11's 2'2' 1C N P1'2... Stasis, fixity of corner until cataclysm - world will be stripped & chaos will ensue -
violent & sudden reversal & descent

N/D 40 7C1'2

also about death - mother being lowered into grave - but not moment of repose or final resolution - a debt still owed as if ~~the~~ hungry creditors were waiting & circling ~~the~~ around her grave -

N/D 42 7C1'2

On 100th ann. of death, father appears to younger, least important son - son scared to death - ambiguous ending - who dies?

grace 43

7001 981C

big brute of a man w/ ^{little} bk of poetry in his hands -
figure of man as tree w/ deep roots and head reaching to the stars

W 44 7C1'2

with: address to hotel - speaker & his soul is concerned/dread for hotel, its inhabitants and rooms. 1/1. Nature of earthquake & hotel falls - awakes in cold sweat w/ knowledge that this fate will befall him -

N/D 46 7B3

... 2'2C 228N

dog who was a lamb inside but reviled by all b/c of his ferocious bark - found crushed as if he killed himself.

N 50
D

1137 - 1076N

woman brutally raped by a man used to having his own way - brutalized + then thrown back to husband - she says nothing but he realized what his friend has done + hunches under - tomorrow he will greet him melodramatic, too much

N/D 53 21827 21827

His companion says: There is nothing like fishing for jangled nerves - placid repose upon the lake - he raps + has terrible dreams; when green world he hears a terrible cry of a mother over a dead child - wakes up to find fish on his line

57 22526 - 3108

overburdened w/ situational info

grace/ars 56 9171 9171 21827

ref to Kervell, etc? address to tree + petition to be vouchsafed the cool greenness of the tree - refuge from enemies + censure

N 62 22171

The dark sea - quoted speech: See how black + dark the sea has become - powerful descriptions + then the sighting of a boat fighting the mountainous waves - a point: man the 21827

N/D

630123 1000N) wife gives ^{architect} husband her money to build dream house to solve his malaise - the house is built, the dream realized + he jumps from the roof

* 66 7010

N at night in bed hears a groan/sigh from some house nearby + his
 D mind becomes a net that catches all ~~thoughts~~ - led to night
 thought: overwhelmed by the fragility of the human heart + the
 weight/opinion of the cosmos

< 7010 1010 1010 >

68 7010 1010

N W cigarette re proud pauper + dog who bespeak of dignity once possessed
 laughed at by the uncouth of the neighborhood - always
 hinting at unknown narratives

grace 74 W 1010 1010
 praise poem - octet: 'you are a spruce of beauty, reflect all that's glistening
 in God's creation, magical, pure. Sestet: I wonder whether there will
 ever be a ~~place~~ place or time when your treetop will be exalted in
 its beauty as a union bet man + God

W 76 7010 1010

on cats - close, dense, difficult - cat as creature of will who can rage
 at the heavens? Hard?

N 78 1010
 a couple ~~to~~ depart arm in arm - then speaker's envious venom
 rises - desire to rend them asunder - vicious image of them
 naked + attacked by black swarms of mosquitoes.

N 79 7010 1010

wandered, spent, vents on a rock - spirit restored sleeps
 + is seen under aspect of splendor + dignity

N 81 700

D source of her happiness - she knows that one day when
 she sleep + dreams, the stranger will appear, take her hand
 + whisper: 'you are mine alone + lift his sickle over -
 Gothic, romantic death?

Death on pointe

x 84 (18) 0102)

W
love highly figurative, figured poem about midlife crisis redeemed
by the appearance of woman/saving angel
Time has sent its minions to defeat me, like locust - I see
the heavens darkening - locust devouring & decimating all -
until you appeared & now light, torches, conflagrations that
destroy the time's locust & my field & furrow come back to life

grace 85 28112)

binary as traffic & motion - contrast bet. heavy trucks creaking & lurching
w/ loads of autos, oil, coal etc. (Ockit) vs. white sails of
sea birds above the river in pairs, light, ^{white} ~~white~~ & aloft

N.D 86 2NK 721c)

story - 17-yr old beauty contemporary of speaker's wedded
by wealthy man of same age as widowed mother -
husband & mother become like father/mother & she dies

87 2102N22 708)

N, W maid try on her mistress's gowns & jewelry & face from
beyond mirror reaches out & faces her to see her image
next that of the mistress & mirror falls silent, unable to
distinguish bet. the two.

hysteric, withholding info, letting read err

N 88 700)

story, composer & wife who secretly gathers his compositions &
surprises him but at end there is a misplaced pause (700)
& menses if up

89 P1N1D N1

14, 9 shorter lines = more lyric + direct - address to artist friend who has ~~become~~ followed his own light into chopped up ethereal haze - s: ~~was~~ when I dozed or did you disappear, but I no longer recognize you

grace, 992 $\sqrt{N1N}$ (17)

~~state~~ rare moment of benificent view of world - when the bird's-eye view is taken, perhaps - buddy poem: invitation to friend - ecstatic, majestic moment of vision

14, D 93 P1N1D N1 27

another signpost of ending in death
Edward Arlington Robinson

14, W 99 3782

effective condensation - wisdom of an 80-yr old - he had become essential - looks at present from past - speech to his children & young people: be not afraid, find the answers along the way - time and his emissaries (P1N1 N1N) are your enemies

14, D 103 8702 P1N1D N1 2782

man seeking doctor's off after receiving bad news delivered w/o sympathy - quiet clarity of death as alternative to distant friends, betraying women - BUT he suddenly awakes like a frightened child from a dream - drink unclear

104 שנאדו יסלס נוסרס

Send up of arrogant professor ~~the~~ from one of the temples to science + knowledge - speaker throws his lot in w/ the people's side

N 106 לכירי עור

sketchy: scientist who has made discoveries that will save tens of thousands, but he will be checked out by his institution tomorrow (or a few) + his anxiety is to save his files + writings

grace
bin.

112 לכירי עור '83

feasting his eyes on the colors of early spring - after day of visual intake his spirit sees the movement of the corners: heavens + earth

N 113 .11'3'2

Story about woman who is preparing to meet the husband who abandoned her + left in arms of the deserted cement husband - fantasies about being ~~loved~~ falling into the arms of the one who left

H, D, W

voice
dramatic
monologue

125 נסד רכ

Valedictory address to daughter - I your father have reconciled myself to the impoverishment of my present world, its desacrilization - I am grateful & ~~reconciled~~ reconciled - but oh you my daughter, the soil + strife ~~you are~~ that lie before you in the world -

P'7'e
v'n /k'n

PREPARED BY	2"/k'n
DATE	

Sinnet

W 139 ~~is~~ lines of simile/analogy - "Like a ~~type~~ ...", the bird the
finds its food in field & among the ~~for~~ livestock & sometimes
the powerful stamp of a ~~horse~~ horse's foot reminds him of
his shy origins, Oh so was my soul until yesterday

9, bin. 142 '2/5'7 '100

blue sky of suburban/residential neighborhood of speaker vs. the
news paper spread on his porch table - neighbors are juxtaposed by
his severe expression - he cannot reconcile the blue tranquility w/
what he reads of the sit. of the Jews - paper hides crying
Hebraist - Jewish neighbor w/ felt yarmulka ~~water~~ serenely
waters his plants; speaker doesn't know whether to curse
of bless his serenity

H.D 145 '10/6'7 '100

story poem: father mourns son at funeral - sees priest who is
there w/ rabbi - full prostrate on coffin - story of apostate son
here now only at the end -

M 149 '8/10

66-yr-old woman tell speaker that for 10 yrs she has watched
fevers so that her orphan son could become a doctor & now she
is lost - Speaker: 'certainly he'll take care of you.' She: 'Forget about it -
& don't want or expect anything - no doctor can have a
cleaning lady for a mother & it's too late for me to move

space / bin
distopia 154

P'J'J8)

Cloud view from window of airplane: alone, children, lost wandering - yes, some are illuminated from within, but they move away into the void, blind w/ no shores of arrival or boundaries - endless disconnected drift

9 line 159

6102 JEPON)

On his illness, addressed to 's' P' (wife or daughter)
How will he pluck her from his heart?
moving poem

purifying
simplifying
more self-
referring
lyrical
less loaded
permanently
9 bin
line

83 N)

See her in a dream drowning & he can't save her, waited to the shore, but suddenly she becomes two & saves herself & stands before him radiant & blessed

161 221J821 2J672 sk)

You will remain when all have left, my eye when I am blind -
You so little & pleasant will support me on my way to oblivion -
once my house shook at activity, now silence

ARS * 172

15 GJ10)

Often asked why he has plucked his hat to one form
- Answer: as a Hebrew, I am trained to live w/in constraints & dream of far reaches - essential deal: for practical purposes, to live w/in the rules & then be free, conscience clear to roam - like ex of our little country which is a smudged in to own right.

175 הַמֵּתִים בְּקִרְיָה

for the countless + uncounted dead

Dare ref. to the times

9 W 176

וְדָוִד

final sonnet - לִפְנֵי יְיָ - leave city behind + make
his way ever outwood - Secret: Prayer that the clear
blue heaven will be happen to me - the great world, the
beauty of the world is still there

וְדָוִד וְשִׁמְשׁוֹן וְיִרְמְיָהּ
