

T The land + its fate became the focal

הגיון

day dreaming, reverie
sleeping but not sleeping
unfinished, longing

What will it look like, its fate?

All the list of these Americans + their land remarks freight, intriguing,

it colorful, unfinished, kaleidiscopic

BUT in the graveyard under this int. will rest not one Jew - futile
search for even one of my people who preceded me + who
performed all of these activities -

who looked at stars + sang Psalms - who praised God for
placed him here + disgelled his alienness

[Great rhetorical reiteration]

* list of all of 1000 things of this land not be held by a Jew like me

adding the law of black + red

ending as tantum, as rage?

on occasion of death

Pan Barli: Lanthorn, Litvish. not criticism but implication that
that ~~of Barli~~ somewhere rather than elsewhere - P's own explanation,
more driven, more open ended - mid 40s series - Maize (re read) -
then two - not monologue in which poet/speaker is absent but acts of
lyric utterance - strong presence of the I, which we identify w/ persona of
poet,

Quint, figuring out, bothered, need to know rela. as a few / 12 by in the

* Illusion of life streaming onward + suddenly 238 238 - sinking under stone

summary about his mind, his projection onto them

2 Mountain as witness to the round of their days - shankery picking,
maple syrup, promenading afterwork: girls + young men
round of life: middle aged farmers + artisans

Switch to 238 238 + I [now twilight - how will he get back?] stars beginning
to come out + triggers thought of future: future pilgrim (like him)
who will come after he is like an extinguished star + shankery in this
