

I July 4 St. Michel

1900

? deez???

Nothing out Petruskas. This is very strange.
Why don't you write to me. I don't write
because I am extremely busy and tired.
Shochar's brother will tell you about
everything. Chaim, please send me the
manuscript of "Gavoriat" - "G'ics 101" It
is very important.
Many hugs. your "Semya"
