Dear Scholars:

We are pleased to share with you the newly printed brochure for "Making it New," along with a proposed Schedule for our time together. I have also enclosed a bibliography so that you might acquaint yourself with the poets' week.

Most important, our committee has developed a proposed curriculum for the study component of the program. As you can see, each of you has been assigned a topic which--we hope--is sufficiently broad to allow you great flexibility in selecting your texts. Let me stress: we do not want a lecture. Rather, we see this as a text seminar with the theme serving simply as an organizing principle. If you have any problems with the proposed plan, or wish to discuss further your role in the curriculum, please call me as soon as possible.

If I can be of any help, please let me know. I look forward to our time together.

Sincerely,

Nancy
