Dear Mrs. Vance,

I am writing in response to the Exchange Bibliography 1240 From Shtetl to Destruction: The Jewish Experience in Eastern Europe compiled by Eliyho Matzozky. Besides having compiled an uneven and uncritical list, Mr. Matzozky managed to overlook two of the most obvious sources published in English during the past decade:

Ruth R. Wisse, ed., A Shtetl and Other Yiddish Novellas. New York: Behrman House, 1975.

Diane K. Roskies & David G. Roskies, The Shtetl Book. New York: Ktav Publishing House, 1975.

In searching for out-of-the-way sources, he seems to have neglected the title listing of Books in Print! Perhaps the oversight can be corrected in a future edition.

Sincerely,

David G. Roskies
Assistant Professor
