

P.S.: the pictures of Snow-Maiden and
The Tale of Tsar Saltan are fantastic,
in my opinion

Another option for Dec. 28, if you turn down
the Chaikovsky music at the Conservatory, is
Prokofjev: sonatas, Small hall of the Chaikovsky Hall

One option I have not checked yet is the assorted
dances at the Moscow House of Music on
Dec. 31 at 18:00. They claim the maximum
price is 1.500. Shall I call them in case you
cannot move your trip?

call me, knock on my door (room 30)
