Subject: RE: <Minyan M'at Email> To Tel Aviv and back, Letter 1

Status: Urgent New

Dear Dovid,
What a joy to read your email. I hope you continue to have a rich time and entertain us (me) with it. Life is far quieter in NY, at least on the surface. The big event in my life is the decision to buy a stainless steel dishwasher in time for pesach so I don't have to wash 22 sets of dishes by hand!!

Love, Joyce
