Dear Prof. Roskies,

Following the letter of October 15 from Provost Ismar Schorsch, we are very pleased to welcome you to the International Organizing Committee of the INTERNATIONAL CONFERENCE ON THE HOLOCAUST AND GENOCIDE.

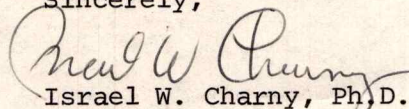

We welcome your participation in the Conference, and will look forward to you advising us of how you wish to contribute to the program as a speaker, participant, workshop leader, or what have you over and above your participation in the running deliberations of the Conference.

Since you have access to my original invitation to Dr. Gershon Cohen, may I also ask of you now to develop and give us your ideas for promotion of the Conference through the machinery of the Seminary and the Rabbinical Association. Our aim is to have the Conference number some one thousand people, and surely there are among the Conservative Rabbinate and laity any number of people who would like to contribute to this pioneering Conference which Elie Wiesel describes as committed to our a// surviving history.

For symbolic reasons, I would like to suggest that Dr. Cohen's name also be included on our International Organizing Committee as the well-known head of JTS, and I have so indicated to him in an accompanying note along with a copy of this letter.

We look forward to hearing from you.

Sincerely,

Israel W. Charny, Ph.D.
Executive Director
