Dr. David Roskies

Dear David,

I want to summarize my understanding of your plans for next year, and I am sending copies of this letter to the Chancellor and the Comptroller so that they will have the same information for their records.

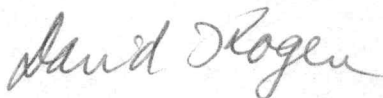

You are asking for a reduced program of two courses rather than a full program of three courses for the fall semester 1980 with a commensurate reduction in salary. This will give you an opportunity to prepare important work for publication.

I suggested that instead of a two-thirds salary for the fall semester and a full salary for the spring of 1981, the salary you receive should be a level five-sixths of what would normally be your salary so that you will maintain a level income for the school year 1980-81.

It is my understanding that you have agreed to my suggestion. Therefore, I will have it implemented in the Comptroller's office, and you will see that the course offerings in your department are redistributed accordingly.

With every good wish, I am

Cordially yours,

David C. Kogen

Dear David:

Thank you for your letter of January 10 and for the enclosures.

I will gladly go along with any arrangement that you work out with Rabbi Kogen.

I would also like to meet with you so that you can explain the 1980-81 course grid and its implications to me. (Has it been submitted to the deans for their reactions?) At that time I would also like you to brief me on the progress of your book. Please make an appointment with my secretary at your convenience.

Sincerely,

Gerson D. Cohen

Dear Colleague:

In accordance with "The Policies and Procedures of the Faculty," adopted on February 18, 1974, I want to call your attention to the fact that applications for a sabbatical leave for the academic year 1980-81 should be made to the Committee on Leaves and Benefits by November 30, 1979.

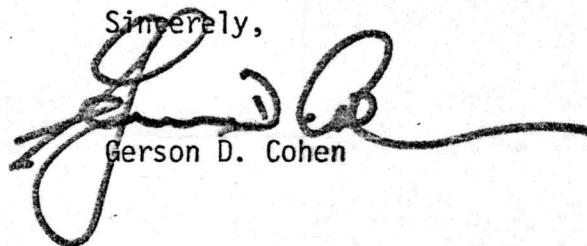

It would also be of great help to us in our academic planning if applications for the following academic year, 1981-82, would be submitted at the same time.

The Committee on Leaves and Benefits is composed of Professors Israel Francus, David C. Kogen (Chairman), Anne Lerner, Joel Roth, and Raymond Scheindlin.

In order to expedite matters, it is recommended that letters of application for sabbaticals for 1980-81 and 1981-82 be in the hands of the Chairman, Rabbi Kogen, by Friday, November 30.

With best wishes.

Sincerely,

Gerson D. Cohen
