Dr. David G. Roskies
Seminary

Dear David:

Congratulations on your Harvard contract! I am delighted for you and know that you will acquit yourself in the style to which we have become accustomed - brilliantly. I wish you luck and godspeed.

Concerning Annapolis, I suggest you approach Ismar first and if he is not able to go, then you can approach Neil. Do keep me abreast of what happens.

Once again, mazal toy.

Sincerely,

Gerson D. Cohen
