david,
how great it was to hear mentioned my old stomping ground.
DO TELL FOLKS AT YEDIDYA THAT I (OR REENA HOFFMAN)
SENDS LOVE! debbie weisman, gerald kromer,
the greenbers- alan + diane....i could go on...
there is no better city for jogging than yerushalayim....
i've applied to a new position at jtsa...under the nose of shuli schwartz...

director of undergraduate academic life..
when one is desperate he/she loses their pride: how do you
feel about putting in a word or 2 about me to shuli???

thanks david, in advance...
soak up the city...
be a beacon for optimism...
i saw today's hebrew paper with all the faces- a familiar, heart
wrenching sight...

reena
