Dear Mr. Roskies:

I thought you would want to see the review list for A Bridge of Longing: The Lost Art of Yiddish Storytelling. As you'll see, we've included your suggestions, as well as assigning editors of key publications (we've put an asterisk by publications and people that received advance bound proof.) We will notify your hometown, alumni, and university publications separately.

Would you take a moment to look this over and let me know if you spot any glaring omissions? We will send out additional review copies as interest grows, and will send you copies of all notices and reviews we receive.

Sincerely,

*Claire Silvers*
