my dearest children,
Best regards from
Geneve and Paris. I
am very astonished
that my letter - an answer
of your kindly letter and
50 ch. - still to day I
have no answer. Why
you are not at home?
Please give my to know
where are you, how are
you and are the 5 books
arrived? Forgive me my
horrible selfishness, but
my love to you is very
big and detailed. Your
father
