Dear David,

I have a copy of A BRIDGE OF LONGING  
(nice title) before me, and it's  
smashing! I'm so glad I had the  
privilege of editing it, and heavy  
with regret that I couldn't see it  
through to the end. Anita did a  
splendid job for you, me, and the  
book.

Congratulations, and  
warm regards ----

Joyce Backman
