Dear Professor Roskies,

I am sorry that it took me such a long time to reply to your email. Thank you so much for the invitation. I think it is a wonderful idea for the "aroysh" of the project to meet. I am very much looking forward for the seder and would be very happy to come. Thank you very very much again!!!

Please let me know if you did or did not hear from somebody and I will try to find the people. I talked to Anya, Anya and Anya and they all are very excited about the idea, too.

Karina
