

VIII Congress of the European Association for Jewish Studies
Past and Present Perspectives in Jewish Studies
Moscow 23-27 July 2006

Dear Prof. Roskies,

When I told you about my first impression of Dr. Marienberg I knew I was acting unjustly and impolite, and I'm quite sorry about my behaviour. For the sake of truth (and not out of curiosity) I went online, studied his personal website and read some of his interviews. I want to apologize for my irresponsible judgements and superficial statements. I was wrong and I am sorry.

Having done away with this, I rushed to your book to find the chapters and to find the answers, - your story-telling about your story-telling has been so fascinating and so intriguing! In addition, I discovered you were a cute kid! (by looking at the family pictures :))

Thank you so much for the soirée!

P.S.: when you crossed out Pavel Tarutin, did you mean that you did not insist on inviting him, or that you did not want to see him at the party? Should we try contacting him or not?
