David,

Thank you so much!!!! This is so nice of you and Shana to let us stay over. It is absolutely great! That solves the problem. Karina will stay at Ania Khanina and we are all set.

Thank you so much again.

Shana and I would be delighted to offer you, Lev, and Borya, the family room, which is duplexed to our main apartment and will be very comfortable. You could arrive early Sunday afternoon, take in some of the city, and then leave whenever you like the next morning. We are having a huge seder. Almost the entire class will be there. And you are our favorites...

Dear David,

Thank you very much for the beautiful Seder. Max and I were very touched by your family traditions and musical tunes that we listened to through out the evening. It was the first Seder for Max so he really experienced "why that day was different from all other days". I hoped we showed you how grateful we were for your attempt to bring us all together. You know we have Russian cultural limitation in expressing our feelings. I also wanted to let you know that you were always a very special teacher of mine. So thank you very much again for everything you've done for me through the years. Best regards,

Anja Lianski/ Khanina.
